### **About Everybody Loves Languages Corp. (TSX-V: ELL; OTC: LMDCF; FSE: LIMA):**

Everybody Loves Languages Corp. is an edtech language-learning and content development company empowering language educators to easily transition from traditional teaching methods to digital learning by integrating education, edutainment, and technology.

The company provides online and print-based solutions through two distinct business units: Everybody Loves Languages Inc. and Lingo Learning Inc. Everybody Loves Languages is a state-of-the-art technology platform that delivers personalized learning experiences in classrooms and online. Its programs provide innovative SaaS-based eLearning solutions, including online and offline content, a learning management system, assessments, real-time reports, speech recognition technology, and white-label tools. At the same time, Lingo Learning is the content development arm and co-publishes print-based English language learning materials in China.

Everybody Loves Languages has established successful relationships with key government and industry organizations internationally, with a presence in LATAM and China, and continues to expand its product offerings and extend its market reach.
